I took this at our penultimate stop on our Colchester pub walk. Notice I tried to leave Jim Gadbury out of the picture, but he had other ideas! What a great little gem The Foresters Arms was.

Taken outside the White Hart Weeley Heath (which is this years Real Ale POTY) during the branch Cider Pub of the Year voting trip. Other pubs visited were the New Bell Harwich, Castle Ramsey (which unfortunately didn't have any real cider at the time of the visit), Railway Tavern Brightlingsea & Old Lifeboat House Clacton. The winner was the Old Lifeboat House and the runner up was the White Hart.

Why not join us on the 'Morris Traveller' on Saturday 25th April . We did this a couple of years ago and had a great time. We travel around in a coach with 'Leading Lights' Morris on board, performing outside pubs with impromptu music both on the coach and in the pubs! If you are interested please email me at the address below.

QUOTE FOR TODAY

Never to be forgotten, that first long secret drink of golden fire, juice of those valleys and of that time, wine of wild orchards, of russet summer, of plump red apples, and Rosie's burning cheeks. Never to be forgotten, or ever tasted again...
~ Laurie Lee – Cider with Rosie
