Photograph taken outside the White Hart, Weeley Heath during our 'Morris Traveller'

"It's one of those quirky events that works on many levels and gets us around some great pubs that we perhaps wouldn't normally visit.  
Morris is definitely one of those things that injects a bit of life into a pub and makes people smile - some of us even tapped our feet or moved around a bit!"  
~ Richard Oxborrow

## QUOTE FOR TODAY

Pubs are unique in their ability to bring together all sides of a community in one single welcoming environment.

~ Tim Page – CAMRA chief executive

**Tendring Branch Membership  
now stands at  
589**

You may think you don't have the time for actively helping the campaign for the branch, but think again!

You could pick up a pub 'Passport' from participating pubs, even if you only collect a few pub stamps by the end of July you will have given encouragement to those pubs. See [www.tendringcamra.org.uk/passport2015.html](http://www.tendringcamra.org.uk/passport2015.html) for more details and a list of participating pubs.

You could use 'What Pub' [www.whatpub.com](http://www.whatpub.com) to send in beer scores (all branch pubs are listed). This is a useful source of feedback as the results are reviewed and discussed at branch meetings and are of assistance when selecting the pubs that maybe included in 'The Good Beer Guide'.

Whilst there are approximately 600 Tendring branch CAMRA members about a third don't receive this Information Sheet because they are not registered to receive emails from the branch. So if you know any of these members you could print off this sheet and give them a copy. They can then keep up-to-date with what the branch is doing and maybe join us on one of the advertised activities.
