To coincide with Community Pubs Month 2016* Tendring
CAMRA will once again be organising a Community Pubs
Passport scheme. This runs from Good Friday to 31st July,
there are 41 pubs to visit with prizes varying depending on
how many pubs are visited (starting from as low as 8 pubs).
Collect a stamp on your passport at each pub you visit
whilst you sup a pint of Real Ale or Cider. The passports
are now available from the participating pubs, or see our
branch website for more details:-

There are still a few seats available for our Morris Traveller
trip on Saturday 23rd April. This is now a regular Tendring
CAMRA campaigning event for us and is great fun. This
year should be even better because it falls on St George's
Day when some pubs put on a bit more of a show. We
travel around the branch area in a coach with 'Leading
Lights' Morris on board.

If you would like further information about the trips or you
would like to book a place, you can email me at
social@tendringcamra.co.uk and let me know your home
location and which trips you are interested in.

* STOP PRESS: On 1st April we were informed
Community Pubs Month is moving to November this year.
Passport dates remain unchanged.
