This picture was taken inside the old treadmill crane in Harwich during our historic tour. It was erected in 1667 in the Navel Dockyard. This is the only surviving original double tread mill crane in the world, it is a Scheduled National Monument & a grade 11* listed building, Even though the weather could have been better I thought this went very well. I was particularly pleased we were the first party to get inside the house of Christopher Jones Master of the Mayflower. Tendring District Council had just handed Andy (our tour guide) the keys to the house and he is now the Curator. The arrangement is until the end of 2020 - the conclusion of the Mayflower Celebrations the hope is that the house can remain with the Harwich Society but that will need to be financed.

QUOTE FOR TODAY

For we could not now take time for further search (to land our ship) our victuals being much spent especially our beer.

~ Log of the Mayflower

**Tendring Branch Membership
now stands at
787**

If you are interested in any of the forthcoming branch activities could you please register an interest.

Saturday 13th July Manningtree pub walk about.

This will include an opportunity to visit the Sailing Club Beer Festival.

Saturday 20th July Brightlingsea walk-about. There are 4 pubs in Brightlingsea and 1 in Thorington on our CAMRA passport where we can get a stamp.

Saturday 27th July Harwich Town Brewery Beer Festival. If there are enough takers we will run a mini bus from the Clacton area to this very popular beer festival in the fantastic Redoubt Fort.

Saturday 17th August Clacton pub walk about. This will give us the opportunity to promote our Clacton Beer Festival.

If you have not done so already why not collect one of our CAMRA passport's from one of the 49 participating pubs around Tendring. This runs to the end of July and although this is a bit of fun it is also an important campaigning function. There are a number of benefits which along with information are printed on the back of the passport.
