This picture was taken during our last branch meeting at the Railway Tavern Brightlingsea. Branch Chairman Jeff Luesley presented Gerard English (joint Landlord with his dad Dave) their certificate for one of the runner-up pubs for Pub of the Year 2013.

Can you name this now 'Lost Pub' in our patch and the village it was located in? Clue— there is a sporting connection with the old pub name. Although banned by the 2004 Hunting with Dogs Act.

This is unfortunately the second pub I have featured in the same village.

Help wanted!

As part of our campaigning activities it is important we regularly check **all** of our pubs. We would like to visit each pub at least every three months to check whether they still sell (or not sell) real ale. A number have started selling real ale recently that have only been found thanks to member surveys. There are three ways you can help.

- Score your beers using WhatPub.com; sign in with your CAMRA login, search for the pub, and fill in the details. This lets us know a pub has been visited and whether they do real ale or not. (If they have sold out, score 0, but add a note in the advanced section, please).
- Adopt your local pub. If you are willing to adopt a local pub or two, send their names, your name and your preferred email address to pubs@tendringcamra.org.uk - if no other member scores those pubs in a 3 month period, you'll get an email asking if you could visit for us.
- Download Target Pubs from the member area of our website and score one near the top of the list. Use your CAMRA login at <http://www.tendringcamra.org.uk/>
